(2) if the service is paid by Govt.

In the case of Mr. Narasimhaiya his service was in under certain temples and he was paid out of the funds of temples. Govt. are only trustees of the funds of the temples in which he served. Art. 245 of the Mysore service Regulations states that service paid from funds of which Govt. are only trustees does not qualify for pension from Govt. funds. Nor do the temples in which he served seem to have sufficient funds to pay pensions to its servants. The Board Secrett. may however be consulted in the matter.

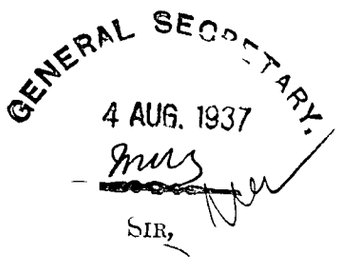
Secretary to the Government of His Highness
the Maharaja of Mysore,
.....General..... *Department.*



SIR,

Treating the services of Mr. Narasimhiah as Peshkar, pensionable.

In forwarding herewith a copy of Mysore District Deputy Commission ''s letter No.H.1072/33 dated 23rd May 1934 re. the payment of Pension y Contribution in respect of the above, I have the honor to state as ollows:-

2. Mr. Narasimhiah was appointed Parpathegar in the Sri Gangadhareswaraswami Temple at Seringapatam on 1st January 1921 and was later, in 1923, as Peshkar of the Sri Ranganathaswami Temple at the place under the special orders of Government conveyed in G.O.No.2298-10/Muz.448-19-8 dated 21-12-1920. He was subsequently transferred as Peshkar of the Chamarajnagar, Nanjangud and Melkote Temples, respectively, which post he continued to hold until recently when he was reduced and transferred as Revenue Inspector of the inam villages belonging to the Sivasamudram Temple.

3. It is reported that ever since his appointment as Peshkar, Pensionary Contribution is being recovered from the funds of the respective temples where he was serving and credited to State Funds, relying on the authority of G.O.No.1900-1903/Muz.92-17-5 dated 8-2-1918 That order refers to only cases of officials holding pensionable appointment under Government, who are posted as Peshkars. As Mr.Narasimhiah does not happen to hold any permanent appointment in any of the Government Departments, it was irregular to have adjusted the

Pensionary Contribution in his case; and the local officers should not have done so without first making sure on the point. The Comptroller to Government, who was consulted in the matter, opines that the mere recovery of contribution will not entitle the person for any claim for pension eventually from State Funds and that special sanction of Government is necessary if his services are to be considered as pensionable.

4. In view of the appointment of Mr. Narasimhiah as Peshkar under special orders of Government and of the fact that his pensionary contribution is being continuously adjusted from the funds of the respective institutions where he has worked as Peshkar, the Deputy Commissioner recommends that his services may be treated as entitling for pension from State Funds. In the circumstances, I request that sanction of Government may kindly be obtained to treat the services of Mr. Narasimhiah as Peshkar, pensionable from State Funds, the payments made towards contribution being approved.

5. It is, further, reported that contribution is being recovered at ¼ the pay of Mr. Narasimhiah as Peshkar from the funds of the respective institutions. As he is not a lent official, contribution is recoverable only at 1/9th of his pay. A statement of credits on account of Pensionary Contribution on his behalf has been sent to the Comptroller to Government for verification. I request that sanction of Government may also be obtained to pay contribution only at 1/9th of his pay and to get a refund of the amount, if any, paid in excess of this rate.

6. The connected file of papers is enclosed for reference.

I have the honor to be,
Sir,
Your most obedient servant,

Muzrai Commissioner.

.H.1072/33 dated 23rd May 34 from the Deputy Commissioner, Mysore the Muzrai Commissioner in Mysore.

Pensionary contribution - Peshkar of Nanjangud Temple.

I have the honor to state that as per Government Order No.379-81/Muz.~~xx~~ 379-81-2 dated 30th July 1919 sanctioning the scale of expenditure of the Sri Srikanteswaraswami temple at Nanjangud, the sanctioned scale of pay of the Peshkar includes his pensionary contribution etc. But the peshkars have been drawing the sanctioned scale of pay and adjusting the contribution towards pension and leave allowance separately from the funds of the institution. The Muzrai Auditor has objected that the extra expenditure incurred towards the payment of the said contribution required sanction of Government. It may be stated here that in the revised scale of expenditure of the temple sanctioned in Government Order No.1659-60/Muz.144-29-9 dated 12th May 1932, necessary provision at ¼th of the pay of the peshkar has been made towards the payment of pensionary contribution and leave allowances.

2. As all the peshkars are adjusting the pensionary contribution separately from the funds of the institution, I request that sanction of Government may kindly be obtained to the extra charge incurred towards the pensionary contribution and leave allowance till May 1932.

3. In this connection, the Sub Division Officer has proposed that the pensionary contribution may be reduced to 1/9th of the pay of the peshkar. But this is not possible in the case of peshkars who have been lent from the Revenue Department, as pensionary contribution and leave allowance have to be paid at ¼th of their pay (vide Article 365 M.S.R.). In the case of the present peshkar who is not a lent official, the pensionary contribution will be adjusted at 1/9th of his pay.

4. The connected papers are submitted herewith.
